The Latest Word

— by **Mike Feiner** (EI 1017), *President, Kappa Lambda Educational Foundation*

Another Homecoming is upon us, signaling the close of another year. Your Epsilon-Iota Alumni Council, on behalf of the Kappa Lambda Educational Foundation, continues to work on a number of key initiatives. To get the latest word, you can attend one or both of the Homecoming events on October 9 (see "Coming Events", below), visit us at www.NevadaChops.org, e-mail me at mikfeiner@bidart-ross.com or call 775-826-0423.

This past summer, we added another event to our annual list. We held our first family picnic on August 14 at Crystal Peak Park in Verdi, NV. Six Alumni and their families attended the event, which included a golf outing earlier at Crystal Peak Golf Course. We will schedule the date for next year's event in early 2011 and encourage you and your family to attend.

Our mission to sustain a perpetual fundraising program continues to gain traction. However, we remain short of our goal of 100 alumni contributing \$100 per year. I again urge you, if you are not participating in our 80/20 Perpetual Giving Program, to make the effort to give what you can. Go to www.NevadaChops.org and click the "Make a Donation" link at the top of the page or call **Travis**

The money raised is used to provide scholarships to our undergraduate members and to enrich the Chapter House's capital improvement fund.

Finally, we are developing an LLC (Limited Liability Company) that will refinance the Chapter House via an investment partnership containing Epsilon-Iota Alumni members. We hope to have the LLC registered with the state and ready to begin funding by early 2011, and are looking for a custodian that can handle both taxable and non-taxable participants. Watch for more details about this program in the coming months.
