### Perpetual Giving Plan

-- by **Mike Fleiner** (E1 1017), *President, Kappa Lambda Educational Foundation*

It has been a year since we introduced a vision for our future fundraising efforts for our Epsilon-Iota Zeta. We continue in our efforts to promote a philosophy of perpetual giving that creates a sustainable level of financial support for the Kappa Lambda Educational Foundation and its ongoing mission of distributing scholarships to deserving members, as well as fund future capital improvements and debt reduction for the Chapter House.

We understand that times are difficult and you may already be supporting a number of different organizations. This is why we are asking for a modest, yet ongoing level of financial support. Go to [www.NevadaChops.org](http://www.NevadaChops.org) and click the "Make a Donation" link at the top of the page or call **Travis Anderson** (E1 1259) at 775-232-6209. Make a one-time donation or an annual donation toward the 80/20 plan and 100 for \$100. Thank you in advance for your support.
